

CHS CLASS OF 1968!

WE'RE NOT GOING BACK BECAUSE WHEN WE FIGHT, WE WIN!

As fellow children of the 60's, we are tuned in, locked, and loaded to Get Out the Vote!

Not to mince words, we are faced with another call to help save the American Democracy. I know you are excited about and with the Harris and Gov. Walz Ticket.

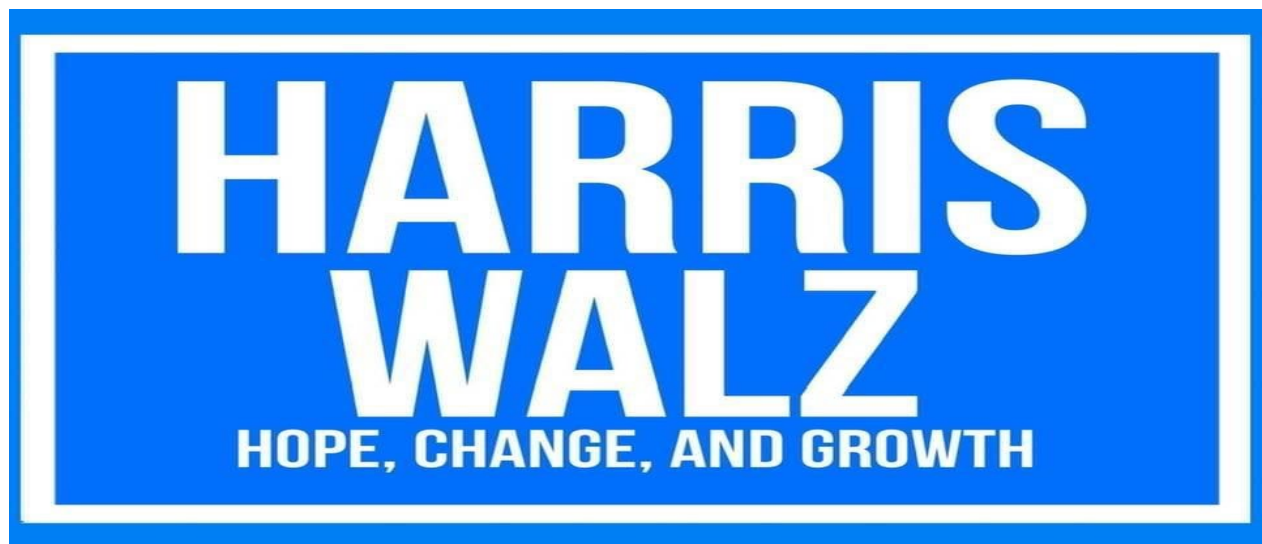

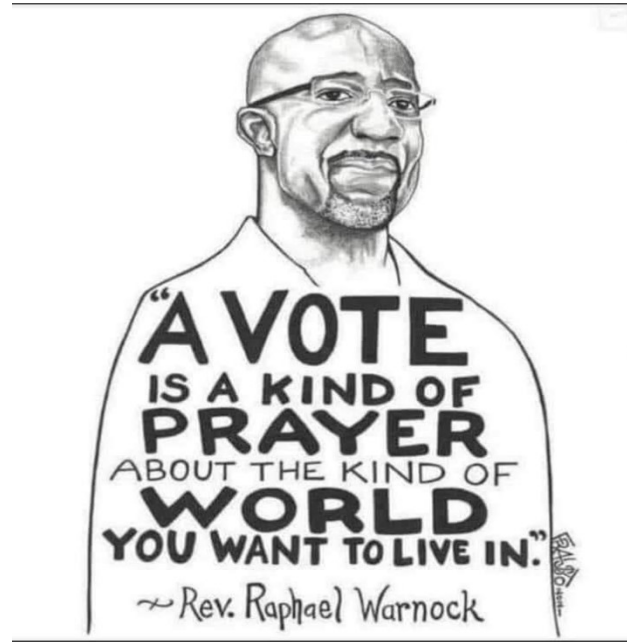

No doubt the Class of sixty-eight understands the mission. By now you are engaged in some type of way to do your part to help save ourselves and America from itself. The reality is the train has left the depot.

From the very beginning as President Joe Biden changed the footprint, Kamala was chosen to lead the Democratic Party ticket, America began to galvanize around bringing sanity back to the democratic process individually and collectively by supporting the most capable and tested candidate.

For those who have the faith of a mustard seed and the resilience of our ancestors, we proudly stand and affirm to WE UNDERSTAND THE ASSIGNMENT – Elect Kamala: The Prepared, Proven, Tested, Dedicated and Capable Servant Of, By and For the People who will with God's hand Help to Heal the Land.

Those who attended the last class meeting voted as a group that we recommend support the candidacy of the Harris-Walz ticket as our statement of support. Officially, we agreed that the Harris-Walz ticket as Americans and Patriot. With this race, the only label we carry is righteousness.

Senator Raphael Warnock says it best:
